A BILL

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Animal Cruelty En-
5 forcement Act of 2025”.

6 **SEC. 2. FINDINGS.**

7 Congress finds the following:

8 (1) There is a significant connection between
9 animal cruelty and violence against humans, domes-

1 tic violence, child abuse, sexual abuse, homicide,
2 gang activity, drug trafficking, and other crimes.

3 (2) Animal fighting activity may increase the
4 spread of diseases transmitted between animals and
5 people.

6 (3) A number of Federal laws have been en-
7 acted to address cruelty to animals.

8 (4) Recognizing the connection between animal
9 cruelty and serious crimes the Federal Bureau of In-
10 vestigation tracks animal cruelty crimes.

11 (5) There is bipartisan and widespread public
12 support for addressing animal cruelty.

13 (6) There is a government interest in ensuring
14 laws are robustly enforced for the betterment and
15 protection of society.

16 (7) The lack of a dedicated animal crimes en-
17 forcement unit within the Department of Justice has
18 resulted in unacceptable delays in prosecutions, and
19 an overall lack of prosecution, of animal crimes.

20 (8) Dedicated staff and resources at the De-
21 partment of Justice will facilitate successful enforce-
22 ment of animal cruelty laws, which often have
23 unique investigative elements, by providing special-
24 ized knowledge and focus, and streamlining the han-
25 dling of these offenses.
