17          sensus of the members of a marine resources  
18          committee for Jefferson County, Washington.

19          “(H) Two members appointed by the Sec-  
20          retary of the Interior, in coordination with the  
21          Northwest Indian Fisheries Commission and in  
22          consultation with the Tribal governments af-  
23          fected by this title, to represent the interests of  
24          such Tribal governments.

1           “(I) One member appointed by the Gov-  
2           ernor of the State of Washington to represent  
3           the interests of the Puget Sound Partnership.

4           “(J) Four members appointed by the Gov-  
5           ernor of the State of Washington who—

6                   “(i) are residents of the State of  
7                   Washington; and

8                   “(ii) are not employed by a Federal,  
9                   State, or local government, excluding an  
10                  institution of higher education.

11           “(2) ADDITIONAL MEMBERS.—The Commission  
12           may, as determined necessary to improve the ability  
13           of the Commission to perform the duties of the  
14           Commission under section 405(b), appoint members  
15           in addition to those appointed under paragraph (1).  
16           Any such additional member shall be appointed by  
17           a consensus of the members of a marine resources  
18           committee that is not described in such paragraph.

19           “(b) VACANCIES.—A vacancy in the Commission  
20           shall be filled in the manner in which the original appoint-  
21           ment was made.

22           “(c) CHAIRPERSON.—The Commission shall select a  
23           Chairperson from among its members.

1       “(d) MEETING.—The Commission shall meet at the  
2 call of the Chairperson, but not less frequently than quar-  
3 terly.

4       “(e) LIAISON.—

5           “(1) IN GENERAL.—The Under Secretary, in  
6 consultation with the Commission, shall appoint an  
7 employee of the National Oceanic and Atmospheric  
8 Administration—

9           “(A) to serve as a liaison between the  
10 Commission and the Department of Commerce;

11           “(B) to coordinate programs of the Na-  
12 tional Oceanic and Atmospheric Administration  
13 with activities related to the goal of the Com-  
14 mission described in section 405(a); and

15           “(C) to perform additional liaison func-  
16 tions benefitting the Commission and the Na-  
17 tional Oceanic and Atmospheric Administration,  
18 which may include, as agreed to by the Com-  
19 mission and the National Oceanic and Atmos-  
20 pheric Administration, attending meetings and  
21 other events of the Commission as a nonvoting  
22 participant.

23           “(2) LIMITATION.—Service as a member of the  
24 Commission by the employee appointed under para-  
25 graph (1)—

1           “(A) is limited to the employee’s service as  
2           a liaison; and

3           “(B) does not obligate the employee to per-  
4           form any duty of the Commission under section  
5           405(b).

6           “(f) ADMINISTRATION.—The Commission may enter  
7           into cooperative agreements with the State of Washington  
8           for staffing and administrative services for the purposes  
9           of supporting the duties of the Commission under section  
10          405(b).

11       **“SEC. 405. GOAL AND DUTIES OF THE COMMISSION.**

12          “(a) GOAL.—The goal of the Commission is to pro-  
13          tect and restore the marine waters, habitats, and species  
14          of the Northwest Straits region to achieve ecosystem  
15          health and sustainable resource use by—

16               “(1) designing and recommending projects that  
17               are driven by the best available science, local prior-  
18               ities, community-based decisions, and the ability to  
19               measure results;

20               “(2) building awareness and stewardship and  
21               making recommendations to improve the health of  
22               the marine resources of the Northwest Straits re-  
23               gion;

1           “(3) maintaining and expanding diverse mem-  
2           bership and collaboration with partner organizations,  
3           such as the Puget Sound Partnership;

4           “(4) expanding partnerships with Tribal gov-  
5           ernments and continuing to support Tribal treaties,  
6           cultures, and subsistence and Tribal treaty rights;  
7           and

8           “(5) recognizing the importance of economic  
9           and social benefits that are dependent on marine en-  
10          vironments and sustainable marine resources.

11          “(b) DUTIES.—The duties of the Commission are the  
12       following:

13               “(1) To provide resources and technical support  
14               for marine resources committees.

15               “(2) To work with such marine resources com-  
16               mittees and appropriate entities of Federal, State,  
17               and local governments and Tribal governments to  
18               provide advice in developing regional programs to  
19               monitor the overall health of the marine ecosystem  
20               of the Northwest Straits region.

21               “(3) To collect marine resources data and iden-  
22               tify factors adversely affecting or preventing the res-  
23               toration of the health of the marine ecosystem and  
24               coastal economies of the Northwest Straits region to  
25               inform decisionmakers.

1           “(4) To develop scientifically sound restoration  
2           and protection recommendations, informed by local  
3           priorities, that address such factors.

4           “(5) To serve as a public forum for the infor-  
5           mal discussion of policies and actions, with respect  
6           to the marine ecosystem of the Northwest Straits re-  
7           gion, of Federal, State, or local governments, Tribal  
8           governments, or the Government of Canada.

9           “(6) To inform appropriate authorities and  
10          local communities about the marine ecosystem of the  
11          Northwest Straits region and about issues relating  
12          to the marine ecosystem of the Northwest Straits re-  
13          gion.

14          “(7) To consult with all affected Tribal govern-  
15          ments in the Northwest Straits region to ensure that  
16          the work of the Commission does not violate Tribal  
17          treaty rights.

18          “(c) COORDINATION AND COLLABORATION.—The  
19          Commission—

20                 “(1) shall carry out the duties described in sub-  
21                 section (b) in coordination and collaboration, as ap-  
22                 propriate, with Federal, State, and local govern-  
23                 ments and Tribal governments, including by—

24                         “(A) providing technical support and as-  
25                         sistance to any Tribal government seeking rep-

1           resentation and participation on the Commis-  
2           sion; and

3                   “(B) supporting the work and duties of the  
4           liaison to the Commission under section 404(e);  
5           and

6                   “(2) may enter into cooperative agreements  
7           with nonprofit entities, such as the Northwest  
8           Straits Foundation, to provide assistance, including  
9           financial assistance, in carrying out the duties de-  
10          scribed in subsection (b).

11          “(d) LIMITATIONS.—Nothing in this title provides  
12          the Commission with authority to issue regulations or im-  
13          plement any Federal law or regulation.

14          “(e) ANNUAL REPORT.—

15                   “(1) IN GENERAL.—Each year, the Commission  
16           shall prepare, submit to the Committee on Com-  
17           merce, Science, and Transportation and the Com-  
18           mittee on Appropriations of the Senate, the Com-  
19           mittee on Natural Resources and the Committee on  
20           Appropriations of the House of Representatives, and  
21           the Under Secretary, and make available to the pub-  
22           lic a report describing—

23                   “(A) the activities carried out by the Com-  
24           mission during the preceding year; and

1 “(B) the progress in achieving the bench-  
2 marks described in paragraph (2).

3 “(2) BENCHMARKS.—The benchmarks de-  
4 scribed in this paragraph are the following:

5 “(A) Protection and restoration of marine,  
6 coastal, and nearshore habitats within the  
7 Northwest Straits region.

8 “(B) Protection and restoration of marine  
9 resources populations to healthy, sustainable  
10 levels.

11 “(C) Improvement of the water quality of  
12 the Northwest Straits region.

13 “(D) Collection of high-quality data and  
14 promotion of the use and dissemination of such  
15 data for the purposes of ecosystem monitoring.

16 “(E) Promotion of stewardship and under-  
17 standing of marine resources of the Northwest  
18 Straits region through education and outreach,  
19 including by targeted outreach to  
20 underresourced communities.

21 **“SEC. 406. SUNSET.**

22 “The authority to carry out this title shall terminate  
23 on the date that is 7 years after the date of the enactment

1 of the Northwest Straits Marine Conservation Initiative  
2 Reauthorization Act of 2025.”.

Passed the House of Representatives June 3, 2026.
