1           **TITLE I—DIPLOMACY AND**  
2           **SUPPORT FOR UKRAINE**

3   **SEC. 101. AFFIRMING SUPPORT FOR UKRAINE.**

4           (a) FINDINGS.—Congress finds the following:

5                   (1) On February 24, 2022, the Russian Federa-  
6           tion launched an unprovoked and brutal full-scale in-  
7           vasion of Ukraine, violating Ukraine’s sovereignty  
8           and territorial integrity, subjecting the nation to  
9           acts of aggression that have threatened its independ-  
10          ence and security.

11                   (2) For three years, the people of Ukraine have  
12          demonstrated extraordinary resilience, courage, and  
13          determination in the face of relentless attacks on  
14          their homes, communities, sovereignty, and funda-  
15          mental freedoms.

16                   (3) Since the beginning of the invasion, Russia  
17          has engaged in widespread and systematic war  
18          crimes, including—

19                           (A) deliberate targeting of civilian infra-  
20                   structure, including residential buildings,  
21                   schools, hospitals, and evacuation corridors;

1 (B) the forced deportation and kidnapping  
2 of at least 19,000 Ukrainian children to Rus-  
3 sian-controlled territories in an attempt to erase  
4 Ukrainian identity;

5 (C) the destruction of Ukraine's agricul-  
6 tural and energy infrastructure to create hu-  
7 manitarian crises and disrupt global food sup-  
8 ply chains; and

9 (D) the use of torture, extrajudicial  
10 killings, and mass graves in occupied Ukrainian  
11 territories, as documented by the United Na-  
12 tions, the International Criminal Court, and  
13 leading human rights organizations.

14 (4) Despite these atrocities, the people of  
15 Ukraine remain unyielding, demonstrating that their  
16 spirit and commitment to self-determination cannot  
17 be extinguished.

18 (5) The Russian Federation, despite its over-  
19 whelming use of force, has suffered catastrophic  
20 military losses, with estimates exceeding 800,000  
21 casualties, illustrating that President Vladimir  
22 Putin's war of conquest has become both a strategic  
23 failure and a humanitarian disaster for Russia.

24 (6) Ukraine, despite facing an adversary with a  
25 far larger population, army, and military arsenal,

1 continues to fight courageously for its sovereignty,  
2 demonstrating its resilience and determination.

3 (7) Russia’s war has destabilized global secu-  
4 rity, undermining the principles of sovereignty and  
5 nonaggression and emboldening authoritarian re-  
6 gimes seeking to redraw international borders by  
7 force.

8 (8) The United States, the North Atlantic  
9 Treaty Organization (NATO), the European Union,  
10 and allied nations have demonstrated historic unity  
11 in their support for Ukraine, reaffirming their com-  
12 mitment to upholding international law, territorial  
13 integrity, and democratic values.

14 (b) SENSE OF CONGRESS.—It is the sense of Con-  
15 gress that the United States—

16 (1) recognizes that discussions surrounding the  
17 future of Ukraine must include Ukraine;

18 (2) condemns in the strongest possible terms  
19 the Russian Federation’s ongoing war crimes, its  
20 targeted destruction of Ukrainian society, and its  
21 blatant violations of international law;

22 (3) reaffirms its commitment to the people of  
23 Ukraine and the principles of sovereignty, independ-  
24 ence, and territorial integrity within internationally  
25 recognized borders;

1           (4) urges the immediate and unconditional  
2 withdrawal of all Russian forces from Ukrainian ter-  
3 ritory, including Crimea and the Donbas, and af-  
4 firms that any negotiations must be based on  
5 Ukraine’s sovereignty, not dictated by Russian ul-  
6 timatums;

7           (5) demands international institutions take de-  
8 cisive action to ensure the safe return of at least  
9 19,000 kidnapped Ukrainian children, recognizing  
10 that their forced deportation is a war crime and an  
11 act of genocide under international law;

12           (6) supports the continued prosecution of Vladi-  
13 mir Putin and Russian political and military leaders  
14 for war crimes, crimes against humanity, and geno-  
15 cide, reinforcing that those who orchestrate such  
16 atrocities must be held accountable before the world;  
17 and

18           (7) stresses that any sustainable peace deal  
19 must be built with Ukraine and our European allies  
20 at the table.

21 **SEC. 102. REAFFIRMING THE IMPORTANCE OF NATO.**

22 (a) FINDINGS.—Congress finds the following:

23           (1) The United States and its democratic allies  
24 and partners face unprecedented international chal-  
25 lenges and evolving threats to global security.

1           (2) The North Atlantic Treaty Organization  
2 (NATO) was founded on April 4, 1949, to counter  
3 Soviet expansion, prevent further world wars in Eu-  
4 rope, and strengthen transatlantic security, and is  
5 built on the democratic principles of freedom, secu-  
6 rity, and national sovereignty.

7           (3) Article 5 of the North Atlantic Treaty un-  
8 derpins the principle of “collective defense” and has  
9 served as a guiding value of United States foreign  
10 policy for over 75 years.

11           (4) The United States commitment to Article 5  
12 enhances deterrence against adversaries such as  
13 Russia, China, and Iran that seek to spread their  
14 malign influence.

15           (5) The unity of NATO allies strengthens col-  
16 lective security and the stability of democratic  
17 states.

18           (6) NATO serves as a bulwark against the pro-  
19 liferation of malign influence, technologies, and de-  
20 stabilizing operations by adversaries.

21           (7) Authoritarian regimes such as Russia,  
22 China, Iran, and North Korea have increased col-  
23 laboration in political, economic, and security sectors  
24 to undermine democratic principles.

1           (8) In the only invocation of Article 5, NATO  
2 allies provided military and intelligence support to  
3 the United States following the September 11, 2001,  
4 attacks, and many NATO allies incurred significant  
5 casualties in Afghanistan.

6           (9) NATO has remained steadfast in its sup-  
7 port for Ukraine, with member countries providing  
8 military and non-security assistance, strengthening  
9 Ukraine’s defense capabilities, and imposing costs on  
10 Russia for its illegal invasion.

11           (10) Finland and Sweden made the sovereign  
12 decision to accede to NATO following Russia’s inva-  
13 sion of Ukraine.

14           (11) NATO continues to address systemic chal-  
15 lenges posed by China to Euro-Atlantic interests and  
16 security.

17           (12) NATO member states have strengthened  
18 their defense and cyber capabilities, including  
19 through the Defense Innovation Accelerator for the  
20 North Atlantic (DIANA) program.

21           (b) SENSE OF CONGRESS.—It is the sense of Con-  
22 gress that—

23           (1) the United States reaffirms its full and un-  
24 waverling commitment to NATO;

1           (2) NATO remains vital to United States na-  
2           tional security interests and the United States re-  
3           mains fully committed to defending its allies under  
4           Article 5 of the North Atlantic Treaty;

5           (3) NATO's open door policy is essential to Eu-  
6           ropean security, and every sovereign state has the  
7           right to determine its security arrangements, includ-  
8           ing Ukraine;

9           (4) the United States remembers and honors  
10          the thousands of NATO coalition soldiers who sac-  
11          rificed their lives following the invocation of Article  
12          5 after the September 11, 2001, attacks;

13          (5) all NATO allies should dedicate at least 2  
14          percent of their gross domestic product to national  
15          defense or establish concrete plans to meet their 2  
16          percent obligations by the Washington Summit; and

17          (6) NATO allies must continue cooperation in  
18          advanced defense technologies, counterintelligence,  
19          and cybersecurity programs to counter evolving  
20          threats from adversaries such as Russia, China, and  
21          Iran.

22 **SEC. 103. CONDEMNING THE KIDNAPPING OF UKRAINIAN**  
23 **CHILDREN.**

24          (a) FINDINGS.—Congress finds the following:

1           (1) On January 12, 1951, the Convention on  
2 the Prevention and Punishment of the Crime of  
3 Genocide (commonly known as the “Genocide Con-  
4 vention”) entered into force. The Russian Federa-  
5 tion is a party to the Convention and is therefore  
6 bound by its obligations.

7           (2) On February 24, 2022, the Russian Federa-  
8 tion escalated its 8-year occupation of sovereign  
9 Ukrainian territory by launching a full-scale,  
10 unprovoked invasion of Ukraine.

11           (3) Russian armed forces have committed wide-  
12 spread and systematic atrocities against Ukrainian  
13 civilians, including the targeting of civilian infra-  
14 structure and protected sites.

15           (4) On March 9, 2022, Russian forces attacked  
16 a maternity hospital in Mariupol, Ukraine, resulting  
17 in the deaths of 5 individuals and injuries to 17 oth-  
18 ers, in violation of international humanitarian law.

19           (5) On March 22, 2022, the Ukrainian Ministry  
20 of Foreign Affairs announced that the Russian mili-  
21 tary had illegally abducted and forcibly transferred  
22 2,389 Ukrainian children from temporarily occupied  
23 areas of Ukraine to the Russian Federation.

24           (6) On June 2, 2022, Ukrainian President  
25 Volodymyr Zelenskyy stated that an estimated

1 200,000 Ukrainian children had been forcibly trans-  
2 ferred to Russia.

3 (7) Article II(e) of the Genocide Convention de-  
4 fines “forcibly transferring children of the group to  
5 another group” as an act of genocide.

6 (8) Maria Lvova-Belova, Children’s Rights  
7 Commissioner for the President of Russia, publicly  
8 admitted to overseeing the abduction and forced  
9 transfer of Ukrainian children and their adoption by  
10 Russian families.

11 (9) Ukrainian authorities have stated that  
12 many abducted children have living family members  
13 in Ukraine but have been separated due to Russia’s  
14 renewed invasion.

15 (10) On June 16, 2022, Russian authorities an-  
16 nounced that children born in occupied Ukrainian  
17 territories after the February 24, 2022, invasion  
18 would automatically be deemed Russian citizens,  
19 contributing to the erasure of Ukrainian identity.

20 (11) On June 22, 2022, the United Nations  
21 Human Rights Office of the High Commissioner  
22 verified that at least 320 children had been killed as  
23 a result of Russia’s renewed invasion of Ukraine.

24 (12) On July 11, 2022, United Nations Sec-  
25 retary-General António Guterres ordered an inves-

1           tigation into the deaths and injuries of Ukrainian  
2           children in the context of the conflict.

3           (13) On July 13, 2022, Secretary of State  
4           Antony J. Blinken called on the Russian Federation  
5           to “immediately halt its systemic filtration oper-  
6           ations in Ukraine”, which have resulted in the dis-  
7           appearance, detention, or forcible deportation of be-  
8           tween 900,000 and 1,600,000 Ukrainians, including  
9           approximately 260,000 children.

10          (b) SENSE OF CONGRESS.—It is the sense of Con-  
11         gress that—

12                 (1) the abduction and forcible transfer of chil-  
13                 dren and facilitation of illegal adoptions of Ukrain-  
14                 ian children by the Russian Federation is contrary  
15                 to Russia’s obligations under the Genocide Conven-  
16                 tion and constitute acts of genocide;

17                 (2) the Russian Federation is deliberately seek-  
18                 ing to wipe out a generation of Ukrainian children,  
19                 thereby crippling Ukraine’s ability to nurture the  
20                 next generation of Ukrainian citizens and leaders  
21                 and to rebuild their country after Russia’s  
22                 unprovoked war, with the purpose of demolishing  
23                 Ukraine’s unique language, culture, history, and  
24                 identity;

1           (3) the Russian Federation’s unprovoked inva-  
2 sion of Ukraine has significantly increased the risks  
3 of children being exposed to human trafficking and  
4 exploitation, child labor, gender-based violence, hun-  
5 ger, injury, trauma, deprivation of education and  
6 shelter, and death; and

7           (4) the Government of the Russian Federation,  
8 under the leadership of Vladimir Putin, bears full  
9 responsibility for the wrongful and illegal abduction  
10 and forcible transfer of children from Ukraine, and  
11 Congress condemns these actions in the strongest  
12 terms.

4 **SEC. 111. UNITED STATES-EUROPEAN NUCLEAR ENERGY**  
5 **COOPERATION.**

6 (a) FINDINGS.—Congress finds the following:

7 (1) On February 24, 2022, the Russian Federa-  
8 tion initiated a full-scale invasion of Ukraine which  
9 has severely threatened energy security in the  
10 United States, Europe, and around the world.

11 (2) The security of Ukraine’s energy grid has  
12 been vital to Ukraine’s success in its defense of its  
13 territory and ensuring the Ukrainian government  
14 can effectively provide goods and services to Ukrain-  
15 ian citizens.

16 (3) Ukraine has operated four nuclear power  
17 plants with 15 reactors, primarily Russian-designed  
18 water-water energetic reactor (VVER) reactors.

19 (4) Russia, in its war of aggression against  
20 Ukraine, has systematically targeted Ukraine’s en-  
21 ergy infrastructure through heavy shelling and tar-  
22 geted attacks, particularly in the winter months  
23 when innocent Ukrainian civilians are most vulner-  
24 able.

1           (5) Since March 2022, Russian forces have ille-  
2           gally occupied the Zaporizhzhia Nuclear Power Sta-  
3           tion, the largest nuclear power plant in Europe, and  
4           Russian forces have surrounded the station with  
5           landmines, further threatening regional security.

6           (6) Russian-designed VVER reactors have been  
7           built across Europe, including in Belarus, Bulgaria,  
8           the Czech Republic, Finland, Germany, Hungary,  
9           Slovakia, Turkey, and Ukraine.

10          (7) Russia uses its nuclear power plant designs  
11          and fuel services to spread malign influence and  
12          threaten United States and European energy secu-  
13          rity.

14          (8) As of 2021, Russia owned about 20 percent  
15          of the total uranium conversion infrastructure world-  
16          wide and in 2020, had the largest uranium enrich-  
17          ment capacity at close to 46 percent.

18          (b) SENSE OF CONGRESS.—It is the sense of Con-  
19          gress that—

20               (1) in countries seeking or developing a nuclear  
21               power industry, the Department of State should  
22               prioritize the utilization of products and services  
23               from the United States, and then prioritize products  
24               and services from Europe and other allied or partner  
25               countries, including Canada, Japan, the United

1 Kingdom, and the Republic of Korea when not di-  
2 rectly competing with the United States;

3 (2) the United States and its allies must focus  
4 on cooperation, including capacity building and  
5 early-stage project support, to expand the nuclear  
6 industry in Europe in a way that maintains non-  
7 proliferation, security, and safety standards and  
8 aligns with international obligations and treaties  
9 while combating Russian and Chinese malign influ-  
10 ence; and

11 (3) the United States should continue to pursue  
12 the Foundational Infrastructure for Responsible Use  
13 of Small Modular Reactor Technology program as a  
14 means of helping partner countries meet their clean  
15 energy needs with scalable, flexible, secure, and safe  
16 nuclear power programs.

17 (c) STRATEGY REQUIRED.—The Secretary of State,  
18 in consultation with the Secretary of Energy and the  
19 heads of other relevant Federal departments and agencies,  
20 shall develop a strategy to strengthen United States-Euro-  
21 pean nuclear energy cooperation and combat Russian ma-  
22 lign influence in the nuclear energy sector in Europe.

24 (c) shall include, at a minimum, the following elements:

1           (1) An overview and assessment of the Sec-  
2           retary of State’s efforts to broaden participation by  
3           United States nuclear industry entities in Europe  
4           and promote the accessibility and competitiveness of  
5           United States, European, and partner technologies  
6           and services against Russian and Chinese tech-  
7           nologies in Europe.

8           (2) An overview of different nuclear reactor  
9           types that are currently deployed or under regu-  
10          latory review in Europe, including large light-water  
11          reactors, small modular light-water reactors, and  
12          non-light-water reactors, and—

13                (A) what role, if any, each reactor type  
14                could have in reducing Russia’s influence over  
15                European energy supply by 2030, 2035, 2040,  
16                2045, and 2050;

17                (B) challenges that each reactor type may  
18                face with rapid deployment, including costs,  
19                market barriers to first-of-a-kind designs, sup-  
20                ply chain constraints, and regulatory require-  
21                ments;

22                (C) the impacts of each reactor type on  
23                maintaining strong nonproliferation standards,

6 currently deployed or under consideration in Europe,  
7 including use of low enriched uranium, including  
8 high assay low enriched uranium, and spent fuel re-  
9 processing, along with an analysis of the implica-  
10 tions of each fuel cycle on—

11           (A) reducing and eliminating Russia’s  
12 market share in Europe for uranium, conver-  
13 sion, enrichment, and reactor fuel between now  
14 and 2030;

16 free of Russian influence; and

17           (C) maintaining strong nonproliferation  
18 standards, including the minimization of weap-  
19 ons-usable material as well as high nuclear safe-  
20 ty and security standards.

21           (4) An overview of nuclear reactor designs and  
22 fuel cycle infrastructure that the United States Gov-  
23 ernment is currently funding the development of,  
24 and—

1 (A) the potential, if any, that each of these  
2 technologies have to decrease or eliminate Rus-  
3 sia's market share in the United States and  
4 Europe for nuclear power reactors, uranium  
5 mining and milling, conversion, enrichment, fuel  
6 fabrication, deconversion, and spent nuclear  
7 fuel reprocessing in the short-, medium-, and  
8 long-term;

9 (B) the impact of these technologies on the  
10 minimization of weapons-usable nuclear mate-
