20 (xi) A stairwell.

21 (xii) A trauma kit.

22 (H) Has been verified for accuracy by a  
23 walkthrough inspection of such site or such por-  
24 tion.

25 (I) Can be updated.

1           (J) After any funds to procure such map  
2           are expended, is made available to the following  
3           without a subscription fee or other restriction:

4                   (i) The procurer of such map.

5                   (ii) Each such public safety agency.

6           (b) STRATEGY.—

7                   (1) IN GENERAL.—Not later than one year  
8           after the date of the enactment of this section, the  
9           Secretary, in consultation with the heads of relevant  
10          Federal agencies and departments, shall submit to  
11          the appropriate congressional committees a strategy  
12          for the Federal Government to carry out the fol-  
13          lowing:

14                   (A) Procure an emergency response map  
15                  that satisfies the requirements described in sub-  
16                  section (a)(2) for any site that is owned or  
17                  leased by the Federal Government and deter-  
18                  mined to be critical by the Secretary.

19                   (B) Distribute such map to each covered  
20                  public safety agency that serves such site.

21                   (2) BRIEFING.—Not later than 180 days after  
22          the date on which the Secretary submits the strategy  
23          pursuant to paragraph (1), the Secretary shall brief  
24          the appropriate congressional committees on such  
25          strategy.
