A BILL

To amend an Act to provide for reconciliation pursuant to title II of Public Law 119–21 (commonly referred to as the “One Big Beautiful Bill Act”) to remove funding for U.S. Immigration and Customs Enforcement.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

1 **SECTION 1. SHORT TITLE.**

2 This Act may be cited as the “Drain ICE Act of
3 2026”.

4 **SEC. 2. FINDINGS.**

5 Congress finds as follows:

6 (1) The United States has a responsibility to
7 administer its immigration system in a manner that
8 upholds constitutional protections, human rights,
9 and fundamental dignity.

10 (2) The Trump Administration’s indiscriminate
11 mass deportation policies are in conflict with our
12 Nation’s cherished values and the rule of law.

13 (3) There have been detailed and numerous re-
14 ports of cruel and inhumane conditions at U.S. Im-
15 migration and Customs Enforcement (ICE) Deten-
16 tion Facilities across the country.

17 (4) Oversight entities, civil-society organiza-
18 tions, media, and government watchdogs have docu-
19 mented significant concerns regarding the Depart-
20 ment of Homeland Security’s immigration enforce-
21 ment practices, including the use of prolonged deten-
22 tion, inadequate conditions in detention facilities,
23 and insufficient safeguards for asylum seekers and
24 refugees, other vulnerable populations, families, and
25 children.

1 (5) ICE has unlawfully arrested and detained
2 U.S. citizens, green card holders, and other immi-
3 grants with legal status under the Trump Adminis-
4 tration.

5 (6) Nearly half of the individuals in ICE cus-
6 tody as of November, 2025, had no criminal charges
7 or convictions.

8 (7) Detention of individuals with no criminal
9 record by ICE has risen by over 2,000 percent under
10 the Trump Administration.

11 (8) Rapid expansion of detention spending has
12 created powerful financial incentives for private con-
13 tractors and detention facility operators—whose
14 profit-driven models and history of documented over-
15 sight deficiencies raise serious concerns about ac-
16 countability, waste, abuse, and rampant corruption.

17 (9) Department of Homeland Security (DHS)
18 has redirected capacity and resources away from
19 critical missions, including counterterrorism, coun-
20 ternarcotics, and human-trafficking prevention in
21 favor of disproportionately expanded immigration en-
22 forcement activities.

23 (10) According to a November 2025 Gallup
24 poll, 62 percent of Americans disapprove of Presi-
25 dent Donald Trump’s handling of immigration.

1 **SEC. 3. IN GENERAL.**

2 Sections 90003 and 100052 of Public Law 119–21
3 (commonly referred to as the “One Big Beautiful Bill
4 Act”) is repealed.

5 **SEC. 4. IN GENERAL.**

6 The unobligated balances of all amounts appropriated
7 by sections 90003 and 100052 of Public Law 119–21
8 (commonly referred to as the “One Big Beautiful Bill
9 Act”) are rescinded.
