

119TH CONGRESS
2^D SESSION

H. R. 7548

To prohibit online platforms from displaying fraudulent or deceptive commercial advertisements, and for other purposes.

IN THE HOUSE OF REPRESENTATIVES

FEBRUARY 12, 2026

Mr. MEUSER (for himself and Mr. CORREA) introduced the following bill;
which was referred to the Committee on Energy and Commerce

A BILL

To prohibit online platforms from displaying fraudulent or deceptive commercial advertisements, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Safeguarding Con-
5 sumers from Advertising Misconduct Act” or the “SCAM
6 Act”.

7 **SEC. 2. FINDINGS.**

8 Congress finds the following:

9 (1) Online platforms have become a primary
10 conduit for online scams or other digital advertising-

1 related fraud, including fake giveaways, animal
2 sales, deal advertisements tied to nonexistent prod-
3 ucts, government impersonations, romance scams,
4 health scams, and impersonations using AI-cloned
5 voices and stolen images targeting legitimate busi-
6 nesses.

7 (2) According to data reported by the Federal
8 Trade Commission, social media platforms are a pri-
9 mary contact method to initiate scams, with individ-
10 uals ages 20 to 29 reporting social media was the
11 contact method more than 38 percent of the time,
12 and for individuals ages 18 to 19, that figure was
13 47 percent.

14 (3) According to the Commission, the estimated
15 overall loss from fraud in 2024, adjusted to account
16 for underreporting, was \$195,900,000,000, with an
17 estimated \$81,500,000,000 lost by older adults.

18 (4) According to the AARP, consumers filed
19 2,600,000 fraud reports in 2023, with a median in-
20 dividual loss of \$500. Nearly 100,000 consumers re-
21 ported losses of \$10,000 or more.

22 (5) Some online platforms have abandoned
23 tighter advertiser verification processes to avoid driv-
24 ing away profits from advertisers.

1 (6) Section 230 of the Communications Act of
2 1934 (47 U.S.C. 230) was enacted to protect online
3 platforms acting as “Good Samaritans” by shielding
4 such platforms from being treated as publishers of
5 user content, while encouraging such platforms to
6 block or screen offensive content.

7 (7) Courts have interpreted Section 230 too
8 broadly, granting sweeping immunity even to online
9 platforms alleged to facilitate unlawful or harmful
10 activity and including online activities that did not
11 exist in 1996—an outcome contrary to Congress’s
12 original intent.

13 (8) According to the Federal Trade Commis-
14 sion’s consumer alert titled “Top scams of 2024”
15 (March 10, 2025), “People reported losing money
16 more often when contacted through social media.
17 Most people (70 percent) reported a loss when con-
18 tacted on a social media platform—and lost more
19 money overall.” The Commission issued broad infor-
20 mation requests to online platforms using the Com-
21 mission’s authority under section 6(b) of the Federal
22 Trade Commission Act (15 U.S.C. 46(b)) in order to
23 assess paid advertisement screening practices, citing
24 the surge in scam ads.

1 (i) verification of the legal name and
2 physical location of the advertiser;

3 (ii) verification of a valid and current
4 government-issued identification of the ad-
5 vertiser, or, in the case of a business enti-
6 ty, documentation establishing the legal ex-
7 istence of the entity and the relation of the
8 purchaser to the entity;

9 (iii) collection of contact information
10 for the advertiser sufficient to allow follow
11 up by the online platform or the Commis-
12 sion; and

13 (iv) reasonable measures to prevent
14 circumvention of such verification require-
15 ments through the use of any false, stolen,
16 or synthetic identity.

17 (B) An active impersonation detection and
18 mitigation program.

19 (C) Automated and manual fraudulent and
20 deceptive commercial advertisement detection
21 systems.

22 (D) A clear and conspicuous tool for users
23 to report suspected fraudulent or deceptive
24 commercial advertisements.

1 (2) INVESTIGATION OF FRAUDULENT OR DE-
2 CEPTIVE COMMERCIAL ADVERTISEMENTS.—

3 (A) IN GENERAL.—If a person (including a
4 government entity) reports a fraudulent or de-
5 ceptive commercial advertisement or the detec-
6 tion system of an online platform identifies a
7 fraudulent or deceptive commercial advertise-
8 ment, the online platform shall—

9 (i) not later than 72 hours after the
10 submission of such report or receiving such
11 identification, conduct an investigation of
12 such advertisement; and

13 (ii) not later than 24 hours after con-
14 cluding the investigation, if applicable, no-
15 tify the person of the outcome of such in-
16 vestigation.

17 (B) REMOVAL.—

18 (i) AFTER INVESTIGATION.—If, after
19 conducting an investigation under subpara-
20 graph (A), an online platform determines
21 that an advertisement violates the require-
22 ments of this Act, such online platform
23 shall, not later than 24 hours after making
24 such determination, remove the advertise-
25 ment from the platform.

1 (ii) DURING INVESTIGATION.—Noth-
2 ing in this subparagraph shall preclude an
3 online platform from removing an adver-
4 tisement prior to the conclusion of an in-
5 vestigation under subparagraph (A), as de-
6 termined appropriate by the online plat-
7 form.

8 (3) PRESUMED COMPLIANCE.—

9 (A) IN GENERAL.—For purposes of sub-
10 section (a), an online platform shall be pre-
11 sumed to have taken reasonable steps to pre-
12 vent a fraudulent or deceptive commercial ad-
13 vertisement from being made available if the
14 online platform—

15 (i) submits to the Commission a
16 fraudulent and deceptive commercial ad-
17 vertisement detection program that incor-
18 porates the procedures described in para-
19 graph (1), and the Commission approves
20 such program; and

21 (ii) demonstrates compliance with,
22 and active enforcement of, the program de-
23 scribed in clause (i), including by dem-
24 onstrating that the online platform pro-
25 vides adequate resources for the program.

1 (B) RULE OF CONSTRUCTION.—Nothing in
2 this paragraph shall be construed to create a
3 presumption of compliance in any individual en-
4 forcement action in which the Commission de-
5 termines or establishes that the online platform
6 did not comply with its fraudulent and decep-
7 tive commercial advertisement detection pro-
8 gram.

9 (c) REGULATIONS.—

10 (1) IN GENERAL.—Not later than 1 year after
11 the date of enactment of this section, the Commis-
12 sion shall promulgate regulations in accordance with
13 section 553 of title 5, United States Code, to imple-
14 ment this section.

15 (2) UPDATES.—The Commission shall review
16 the regulations promulgated under paragraph (1) on
17 an annual basis and revise such regulations as ap-
18 propriate.

19 (d) ENFORCEMENT BY THE COMMISSION.—

20 (1) UNFAIR OR DECEPTIVE ACTS OR PRAC-
21 TICES.—A violation of this Act or a regulation pro-
22 mulgated under this Act shall be treated as a viola-
23 tion of a rule defining an unfair or deceptive act or
24 practice prescribed under section 18(a)(1)(B) of the

1 Federal Trade Commission Act (15 U.S.C.
2 57a(a)(1)(B)).

3 (2) POWERS OF THE COMMISSION.—

4 (A) IN GENERAL.—The Commission shall
5 enforce this Act and any regulation promul-
6 gated under this Act in the same manner, by
7 the same means, and with the same jurisdic-

11 corporated into and made a part of this Act.

12 (B) PRIVILEGES AND IMMUNITIES.—Any
13 person who violates this Act or any regulation

25 that an interest of the residents of the State has

1 been or is threatened or adversely affected by the
2 engagement of any person in an act or practice that
3 violates subsection (a) or (b), the attorney general of
4 the State may, as *parens patriae*, bring a civil action
5 on behalf of the residents of the State in a district
6 court of the United States of appropriate jurisdic-

16 the civil action; and

17 (ii) file petitions for appeal of a deci-
18 sion in the civil action.

19 (3) INVESTIGATORY POWERS.—Nothing in this
20 subsection may be construed to prevent the attorney

22 ferred on the attorney general by the laws of the
23 State to conduct investigations, to administer oaths
24 or affirmations, or to compel the attendance of wit-

1 nesses or the production of documentary or other
