

119TH CONGRESS
2^D SESSION

H. R. 8474

To amend the Cooperative Forestry Assistance Act of 1978 to provide States and communities with additional assistance to plant and maintain trees, and for other purposes.

IN THE HOUSE OF REPRESENTATIVES

APRIL 23, 2026

Ms. BROWN (for herself, Ms. MATSUI, Mr. THOMPSON of California, Ms. NORTON, Mrs. SYKES, and Ms. TITUS) introduced the following bill; which was referred to the Committee on Agriculture

A BILL

To amend the Cooperative Forestry Assistance Act of 1978 to provide States and communities with additional assistance to plant and maintain trees, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “Neighborhood Tree
5 Act of 2026”.

6 **SEC. 2. FINDINGS.**

7 Congress finds that—

8 (1) the presence of a healthy and well-main-
9 tained urban forest can—

1 (A) support—

2 (i) the physical and mental health of
3 community residents;

4 (ii) the regulation of air quality;

5 (iii) the mitigation of the urban heat
6 island effect;

7 (iv) the reduction of energy demand;

8 and

9 (v) stormwater management; and

10 (B) provide other benefits;

11 (2) according to research of the Forest Service,
12 the estimated value of benefits described in para-
13 graph (1) exceeds \$18,000,000,000;

14 (3) the maintenance and management of an
15 urban forest offers additional opportunities relating
16 to workforce development, job creation, and enhance-
17 ment of property values;

18 (4) urban forest canopy cover is inequitably dis-
19 tributed among racial groups and income levels, ex-
20 acerbating disparities in exposure, for example, to
21 the urban heat island effect and in related health
22 risks or financial burdens relating to cooling;

23 (5) the effects of historical discriminatory poli-
24 cies, such as redlining, continue to have effects on
25 urban environments;

1 (6) a recent analysis shows that—

2 (A) urbanized neighborhoods with mostly
3 people of color have 33 percent less tree canopy
4 on average than majority white neighborhoods;
5 and

6 (B) low-income neighborhoods have 41 per-
7 cent less tree cover than neighborhoods with
8 low rates of poverty;

9 (7) additional analyses of cities in the United
10 States found that—

11 (A) communities primarily inhabited by
12 United States-born, white populations contain
13 more than twice the urban forest canopy cover
14 of communities primarily inhabited by racial
15 and ethnic minorities; and

16 (B) there were elevated land temperatures
17 in formerly redlined areas compared to their
18 nonredlined counterparts, by an average 2.6 de-
19 grees Celsius and up to 7 degrees Celsius; and

20 (8) to reduce disparities in the enjoyment of the
21 social, environmental, and economic benefits of
22 healthy and well-maintained urban forests and man-
23 age risks relating to heat exposure and other urban
24 stressors, the Federal Government should accelerate

1 actions to enhance the health and resilience of urban
2 forests, with investment in priority communities.

3 **SEC. 3. NEIGHBORHOOD TREE FUND.**

4 Section 9 of the Cooperative Forestry Assistance Act
5 of 1978 (16 U.S.C. 2105) is amended—

6 (1) by redesignating subsections (h) and (i) as
7 subsections (i) and (j), respectively; and

8 (2) by inserting after subsection (g) the fol-
9 lowing:

10 “(h) NEIGHBORHOOD TREE FUND.—

11 “(1) IN GENERAL.—Consistent with the pur-
12 poses described in subsection (b), the Secretary shall
13 establish the Neighborhood Tree Fund (referred to
14 in this subsection as the ‘Fund’).

15 “(2) ASSISTANCE.—The Secretary shall use
16 amounts from the Fund to provide assistance to eli-
17 gible entities described in paragraph (3) to increase
18 and improve the overall health of the tree canopy in
19 a community.

20 “(3) ELIGIBILITY.—An entity that is eligible to
21 receive assistance under paragraph (2) is—

22 “(A) a State;

23 “(B) an Indian Tribe; and

1 “(C) a local unit of government, approved
2 organization, or local community tree volunteer
3 group described in subsection (b)(4).

4 “(4) REQUIREMENTS.—The Secretary, in con-
5 sultation with the Secretary of Housing and Urban
6 Development, shall establish requirements for the re-
7 ceipt of assistance under paragraph (2), including
8 requirements with respect to—

9 “(A) engagement with communities and
10 stakeholders;

11 “(B) the conduct of a tree canopy assess-
12 ment;

13 “(C) the use of climate change science in
14 the design of a project using the assistance;

15 “(D) the conduct of site preparation and
16 tree species selection; and

17 “(E) the conduct of monitoring and main-
18 tenance to ensure the successful establishment
19 of the tree canopy.

20 “(5) PRIORITY.—The Secretary shall give pri-
21 ority to the provision of assistance under paragraph
22 (2) to eligible entities that propose projects that—

23 “(A) include and prioritize tree planting
24 and tree maintenance in—

1 “(i) a census tract with a poverty rate
2 of not less than 20 percent, as measured
3 by the 5-year data series available from the
4 American Community Survey of the Bu-
5 reau of the Census for the period of 2014
6 through 2018, including such a census
7 tract that includes an area that was des-
8 ignated as ‘hazardous’ or ‘definitely declin-
9 ing’ in maps drawn by the Home Owners’
10 Loan Corporation; or

11 “(ii) a community or neighborhood
12 with lower tree canopy and higher max-
13 imum daytime summer temperatures com-
14 pared to surrounding communities or
15 neighborhoods, as determined by the Sec-
16 retary, based on publicly available informa-
17 tion;

18 “(B) optimize outcomes for climate mitiga-
19 tion and resilience for the purpose of public
20 health, as determined by the Secretary; or

21 “(C) advance community-led urban agro-
22 forestry or tree-based local food production to
23 increase green infrastructure, reduce urban
24 heat, and improve environmental and public
25 health outcomes.

1 “(6) LIMITATIONS ON USE OF AMOUNTS FOR
2 COMMUNITY TREE ASSESSMENTS.—Not more than
3 10 percent of the amount made available under
4 paragraph (7) for a fiscal year may be used for the
5 development of community tree assessments.

6 “(7) AUTHORIZATION OF APPROPRIATIONS.—
7 There are authorized to be appropriated for deposit
8 into the Fund, for use by the Secretary to carry out
9 this subsection, not less than—

10 “(A) \$100,000,000 for fiscal year 2025;

11 “(B) \$200,000,000 for fiscal year 2026;

12 “(C) \$400,000,000 for fiscal year 2027;

13 “(D) \$600,000,000 for fiscal year 2028;

14 and

15 “(E) \$700,000,000 for fiscal year 2029.”.

16 **SEC. 4. NATIONAL URBAN AND COMMUNITY FORESTRY AD-**
17 **VISORY COUNCIL COMPOSITION.**

18 Section 9(g)(2)(A) of the Cooperative Forestry As-
19 sistance Act of 1978 (16 U.S.C. 2105(g)(2)(A)) is amend-
20 ed—

21 (1) in the matter preceding clause (i), by strik-
22 ing “15” and inserting “16”;

23 (2) in each of clauses (i) through (viii), by
24 striking the comma at the end and inserting a pe-
25 riod;

1 (3) in clause (ix), by striking “, and” at the end
2 and inserting a period; and

3 (4) by striking clause (x) and inserting the fol-
4 lowing:

5 “(x) 3 members who are not officers
6 or employees of any governmental body
7 and who have expertise and have been ac-
8 tive in urban and community forestry, of
9 whom—

10 “(I) 1 is a resident of a commu-
11 nity with a population of less than
12 50,000 as of the most recent census;
13 and

14 “(II) 1 is a resident of a low-in-
15 come community, as determined by
16 the Secretary.”.
