IN THE HOUSE OF REPRESENTATIVES

MAY 29, 2026

Mr. GOTTHEIMER (for himself, Mr. RUTHERFORD, Mr. BISHOP, Mr. BACON, Mr. SUOZZI, Mr. FITZPATRICK, Mr. DAVIS of North Carolina, Mr. CUELLAR, and Mr. CARBAJAL) introduced the following bill; which was referred to the Committee on the Judiciary

A BILL

To direct the Assistant Attorney General to award grants to the National Police Athletic/Activities League to improve academic and social outcomes for youth and reduce both juvenile crime and the risk that youth will become victims of crime by providing productive activities conducted by law enforcement personnel during non-school hours.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

1 **SECTION 1. SHORT TITLE.**

2 This Act may be cited as the “National Police Ath-
3 letic/Activities League Youth Enrichment Reauthorization
4 Act”.

5 **SEC. 2. FINDINGS.**

6 Congress finds the following:

7 (1) The goals of the National Police Athletic/
8 Activities League and its member chapters are to—

9 (A) increase the academic success of youth
10 participants in Police Athletic/Activities League
11 programs, including in science, technology, en-
12 gineering, and mathematics;

13 (B) promote a safe, healthy environment
14 for youth under the supervision of law enforce-
15 ment personnel where mutual trust and respect
16 can be built;

17 (C) develop life-enhancing character and
18 leadership skills in young people;

19 (D) increase school attendance by pro-
20 viding alternatives to suspensions and expul-
21 sions;

22 (E) reduce the juvenile crime rate in par-
23 ticipating designated communities;

24 (F) reduce the number of police calls in-
25 volving juveniles during non-school hours;

1 (G) teach youth protection skills, particu-
2 larly those geared to the online world;

3 (H) provide youths with alternatives to
4 drugs, alcohol, tobacco, gangs, and other activ-
5 ity that is harmful to such youths and their
6 communities;

7 (I) create positive communication and
8 interaction between youth and law enforcement
9 personnel;

10 (J) prepare youth for the workplace; and

11 (K) strengthen neighborhoods by bringing
12 youth, families, and law enforcement together
13 around shared programs and goals.

14 (2) The National Police Athletic/Activities
15 League and its member chapters, during its over 85-
16 year history as a national organization, has proven
17 to be a positive force in the communities it serves.

18 (3) The National Police Athletic/Activities
19 League has over 200 chartered Police Athletic/Ac-
20 tivities League chapters throughout the United
21 States, including the United States Virgin Islands,
22 serving 2,000,000 youths, ages 5 to 18, nationwide.

23 (4) Based on National Police Athletic/Activities
24 League chapter demographics, approximately 75
25 percent of the youths who benefit from Police Ath-

1 letic/Activities League programs live in inner cities
2 and urban areas.

3 (5) National Police Athletic/Activities League
4 chapters are locally operated, volunteer-driven orga-
5 nizations. Although most Police Athletic/Activities
6 League chapters are sponsored by a law enforcement
7 agency, National Police Athletic/Activities League
8 chapters rarely receive funding from law enforce-
9 ment agencies and are dependent in large part on
10 support from the private sector, such as individuals,
11 business leaders, corporations, and foundations. Na-
12 tional Police Athletic/Activities League chapters have
13 been exceptionally successful in balancing public
14 funds with private sector donations and maximizing
15 community involvement.

16 (6) Today's youth face far greater risks than
17 did their parents and grandparents. Law enforce-
18 ment statistics demonstrate that youth between the
19 ages of 12 and 18 are at risk of committing violent
20 acts and being victims of violent acts after school
21 hours, between the hours of 3 p.m. and 8 p.m.

22 (7) Greater numbers of students are dropping
23 out of school and failing in school, even though the
24 consequences of academic failure are more dire in
25 2026 than ever before.

1 (8) The National Police Athletic/Activities
2 League is the premier model for modern community
3 policing and connecting cops to kids, based on the
4 belief that young people, if reached early enough, are
5 more likely to become productive adults and agents
6 of change. It is dedicated to fostering positive rela-
7 tionships between law enforcement and youth
8 through recreational, educational, and mentorship
9 programs.

10 (9) Many distressed areas in the United States
11 are still underserved by Police Athletic/Activities
12 League chapters.

13 **SEC. 3. PURPOSE.**

14 The purpose of this Act is to provide adequate re-
15 sources in the form of—

16 (1) assistance for the 200 established National
17 Police Athletic/Activities League chapters to increase
18 services to the communities they are serving;

19 (2) seed money for the establishment of 250
20 (50 per year over a 5-year period) additional local
21 Police Athletic/Activities League chapters in public
22 housing projects and other distressed areas, includ-
23 ing distressed areas with a majority population of
24 Native Americans, by not later than fiscal year
25 2032; and

1 (3) support of an annual gathering of Police
2 Athletic/Activities League chapters and designated
3 youth leaders from such chapters to participate in a
4 3-day conference that addresses national and local
5 issues impacting the youth of America and includes
6 educational sessions to advance character and lead-
7 ership skills.
