

119TH CONGRESS
2^D SESSION

H. RES. 1098

Expressing support for the designation of March 3, 2026, as “National Triple-Negative Breast Cancer Day”.

IN THE HOUSE OF REPRESENTATIVES

MARCH 3, 2026

Mr. MORELLE (for himself, Mr. BACON, Mr. TONKO, Mr. GOTTHEIMER, and Ms. NORTON) submitted the following resolution; which was referred to the Committee on Oversight and Government Reform

RESOLUTION

Expressing support for the designation of March 3, 2026, as “National Triple-Negative Breast Cancer Day”.

Whereas triple-negative breast cancer was recognized as a distinct type of cancer in 2006;

Whereas triple-negative breast cancer disproportionately affects young women, Black and Hispanic women, and those with BRCA gene mutations;

Whereas triple-negative breast cancers are estrogen receptor-negative, progesterone receptor-negative, and HER2-negative, making them distinct from other breast cancers;

Whereas 10 to 15 percent of all breast cancer diagnoses are designated as triple-negative;

Whereas triple-negative breast cancer can be more aggressive and more likely to spread and recur;

Whereas triple-negative breast cancer accounts for around 25 percent of all deaths from breast cancer in the United States; and

Whereas March 3, 2026, would be an appropriate date to designate as “National Triple-Negative Breast Cancer Day”: Now, therefore, be it

1 *Resolved*, That the House of Representatives supports
2 the designation of “National Triple-Negative Breast Can-
3 cer Day” to create awareness of the devastating effect of
4 these cancers on families in the United States and the
5 need for strong action to eradicate triple-negative breast
6 cancer.
