H. RES. 1376

Supporting the contributions and goals of Lavender Growers Month.

IN THE HOUSE OF REPRESENTATIVES

JUNE 18, 2026

Mr. THOMPSON of California submitted the following resolution; which was referred to the Committee on Agriculture

RESOLUTION

Supporting the contributions and goals of Lavender Growers Month.

Whereas lavender is cultivated across the United States as a specialty crop with applications in agriculture, wellness, culinary arts, and manufacturing;

Whereas lavender farms contribute to rural economies through agritourism, value-added products, and local employment;

Whereas many lavender farms are small, family-owned, and women-led enterprises that reflect the diversity and resilience of American agriculture;

Whereas the months of June and July represents peak bloom for lavender in many regions of the United States, making it a vital time for harvest and public engagement; and

Whereas recognizing lavender growers supports agricultural innovation, sustainability; and domestic production: Now, therefore, be it
