RESOLUTION

Remembering the lives lost and honoring the survivors 3 years after the Independence Day Parade shooting that occurred on July 4, 2022, in Highland Park, Illinois.

Whereas, in Highland Park, Illinois, on July 4, 2022, thousands of joyous spectators lined the Independence Day Parade route expectantly waiting for their children and grandchildren, their friends, neighbors, and coworkers to walk by in procession;

Whereas, at 10:14 a.m. that day, just moments after the Highland Park Independence Day Parade began, the sense of community elation was shattered by a single in-

dividual who acquired a gun, climbed a ladder to a rooftop, and fired 80 bullets into the joyous crowd below;

Whereas the 7 people who were murdered that day were—

(1) Katie Goldstein, age 64, of Highland Park, Illinois, a beloved wife and mother, who was known for her kind, caring personality, and for bringing neighbors delicious baked goods during the holidays;

(2) Irina McCarthy, age 35, of Highland Park, Illinois, a wife and mother of 2-year-old Aiden, who met her husband Kevin through their mutual work in the pharmaceutical industry;

(3) Kevin McCarthy, age 37, of Highland Park, Illinois, a husband and father of 2-year-old Aiden, who died protecting his son from gunfire;

(4) Stephen Strauss, age 88, of Highland Park, Illinois, a brother, husband, father, and grandfather, who was a joke-teller and avid reader and greatly enjoyed the Art Institute of Chicago and the Chicago Symphony Orchestra;

(5) Jacquelyn Sundheim, age 63, of Highland Park, Illinois, a kind and caring wife and mother, who was a lifelong member of North Shore Congregation Israel in Glencoe, where she also taught preschool and served as the events coordinator;

(7) Eduardo Uvaldo, age 69, of Waukegan, Illinois, who was a devoted husband, father, and grandfather;

Whereas more than 40 people were wounded by bullets and shrapnel, many grievously injured;

Whereas 2-year-old Aiden McCarthy lost both parents who sacrificed their lives while saving his;

Whereas 8-year-old Cooper Roberts suffered a severed spinal cord, impairing his ability to walk, and his mother Keely and twin brother Luke were also injured;

Whereas all who attended the parade and who live in Highland Park will be forever changed by this tragedy;

Whereas the emergency responders and the doctors, nurses, and other health care providers at Highland Park Hospital, Glenbrook Hospital, Evanston Hospital, Northwestern Medicine Lake Forest Hospital, Advocate Lutheran General Hospital, and University of Chicago Medicine Comer Children's Hospital provided professional and dedicated care to the victims;

Whereas, in the 3 years since, dozens of volunteer counselors traveled to North Shore School District 112 and Township High School District 113 to assist the community in the process of healing and met with several thousand community members in need of counseling;

Whereas a significant step towards justice has been served with the person responsible for this horrific crime sentenced to life in prison with no possibility for parole;

Whereas the people of Highland Park and across the United States still mourn the 7 lives tragically cut short and

continue to pray for all the people, their family and friends irreparably changed by this tragedy;
