RESOLUTION

A resolution expressing support for the designation of a “Faith and Defiance Day,” honoring the victims of the July 13th, 2024 shooting, condemning political violence, and acknowledging the positive impact President Donald J. Trump has had on America.

Whereas America is a nation rooted in faith and founded in defiance of an unjust authority;

Whereas President Trump, after being struck by a would-be assassin’s bullet on July 13th, 2024, stood in an act of faith and defiance, pumping his fist and rallying Americans to “fight, fight, fight!”;

Whereas Corey D. Comperatore, a devoted husband and father, was tragically killed while shielding loved ones from the hail of gunfire during the July 13th attack;

Whereas James Copenhaver and David Dutch were grievously injured in the July 13th attack;

Whereas numerous supporters in attendance, including an emergency room physician, heroically provided comfort and medical aid to the victims of the July 13th attack;

Whereas the brave efforts of the Secret Service, local law enforcement agencies, first responders, and medical professionals prevented further harm during the attack;

Whereas President Trump rightly stated God alone prevented the unthinkable from happening;

Whereas the motto of the United States, “In God We Trust,” reflects the enduring faith that steeled President Trump for a return to Butler, Pennsylvania, even after an additional assassination attempt occurred just five miles from his home on September 15th, 2024;

Whereas Donald J. Trump was elected as the 47th President of the United States in the 2024 election, winning with an Electoral College margin of 312–226, while also securing the national popular vote and winning every swing State; and

Whereas President Trump has continued his “fight, fight, fight” for what is best for the United States of America, resilient in his faith and defiant in the face of wickedness; Now, therefore, be it
