

119TH CONGRESS
1ST SESSION

H. RES. 898

Recognizing November 2025 as “National Family Caregivers Month”.

IN THE HOUSE OF REPRESENTATIVES

NOVEMBER 20, 2025

Mr. EVANS of Pennsylvania (for himself, Mr. FITZPATRICK, Ms. DEAN of Pennsylvania, Mr. CASE, Mr. KRISHNAMOORTHY, and Mrs. KIGGANS of Virginia) submitted the following resolution; which was referred to the Committee on Education and Workforce, and in addition to the Committees on Energy and Commerce, and Ways and Means, for a period to be subsequently determined by the Speaker, in each case for consideration of such provisions as fall within the jurisdiction of the committee concerned

RESOLUTION

Recognizing November 2025 as “National Family Caregivers Month”.

Whereas, in 2025, 63,000,000 family caregivers in the United States provide essential care to millions of people each year;

Whereas family caregivers provide unpaid care worth an estimated \$600,000,000,000 annually and play a vital role in the health care system of the United States, supporting loved ones who have chronic illnesses, disabilities, and are aging;

Whereas family caregivers, including grandparents who care for children when parents are unable to do so, as well as youth caregivers, often face significant challenges including financial strain, physical and emotional exhaustion, and social isolation;

Whereas, in just the past 5 years, the number of family caregivers has grown by 10,000,000 and is projected to continue to increase due to growing populations of older adults and people with disabilities, the long-standing shortage of direct care workers, and the lack of affordable, accessible child care for children with disabilities; and

Whereas “National Family Caregivers Month” is an opportunity to recognize and appreciate the contributions of family caregivers of all ages and to advocate for policies that support family caregivers: Now, therefore, be it

1 *Resolved*, That the House of Representatives—

2 (1) recognizes “National Family Caregivers
3 Month”;

4 (2) commends the 63,000,000 family caregivers
5 in the United States who provide essential care to
6 their loved ones and chosen family each day;

7 (3) encourages Federal agencies, States, and
8 the private sector to swiftly implement the remain-
9 ing steps and build upon the current progress of the
10 steps described in the 2022 National Strategy to
11 Support Family Caregivers;

1 (4) encourages policies and strategies to sup-
2 port family caregivers as person- and family-cen-
3 tered, trauma-informed, and culturally appropriate;

4 (5) urges investment in policies that support
5 family caregivers, including—

6 (A) economic tax credits;

7 (B) paid family and medical leave;

8 (C) respite care;

9 (D) home- and community-based services;

10 and

11 (E) access to quality health care; and

12 (6) encourages all people of the United States
13 to learn more about family caregiving and to support
14 their loved ones and neighbors who are providing
15 care.
