To reauthorize the Northwest Straits Marine Conservation Initiative Act to promote the protection of the resources of the Northwest Straits, and for other purposes.

1       *Be it enacted by the Senate and House of Representa-*  
2       *tives of the United States of America in Congress assembled,*

1 **SECTION 1. SHORT TITLE.**

2 This Act may be cited as the “Northwest Straits Ma-  
3 rine Conservation Initiative Reauthorization Act of 2025”.

4 **SEC. 2. REAUTHORIZATION OF NORTHWEST STRAITS MA-  
5 RINE CONSERVATION INITIATIVE ACT.**

6 The Northwest Straits Marine Conservation Initiative  
7 Act (title IV of Public Law 105–384; 112 Stat. 3458) is  
8 amended—

9 (1) in section 402, by striking “Commission (in  
10 this title referred to as the ‘Commission’).” and in-  
11 sserting “Commission.”; and

12 (2) by striking sections 403, 404, and 405 and  
13 inserting the following:

14 **“SEC. 403. FINDINGS.**

15 “Congress makes the following findings:

16 “(1) The marine waters and ecosystem of the  
17 Northwest Straits in Puget Sound in the State of  
18 Washington represent a unique resource of enor-  
19 mous environmental and economic value to the peo-  
20 ple of the United States.

21 “(2) During the 20th century, the environ-  
22 mental health of the Northwest Straits declined dra-  
23 matically as indicated by impaired water quality, de-  
24 clines in marine wildlife, collapse of harvestable ma-  
25 rine species, loss of critical marine habitats, ocean  
26 acidification, and sea level rise.

1           “(3) Increasingly, the Northwest Straits have  
2           been threatened by sea level rise, ocean acidification,  
3           and other effects of climate change.

4           “(4) This title was enacted to tap the unprece-  
5           dented level of citizen stewardship demonstrated in  
6           the Northwest Straits and create a mechanism to  
7           mobilize public support and raise capacity for local  
8           efforts to protect and restore the ecosystem of the  
9           Northwest Straits.

10          “(5) The Northwest Straits Marine Conserva-  
11          tion Initiative helps the National Oceanic and At-  
12          mospheric Administration and other Federal agen-  
13          cies with their marine missions by fostering local in-  
14          terest in marine issues and involving diverse commu-  
15          nities.

16          “(6) The Northwest Straits Marine Conserva-  
17          tion Initiative shares many of the same goals with  
18          the National Oceanic and Atmospheric Administra-  
19          tion, including fostering citizen stewardship of ma-  
20          rine resources, general ecosystem management, and  
21          protecting federally managed marine species.

22          “(7) Ocean literacy, kelp habitat conservation  
23          and monitoring, Veterans Conservation Corps in-  
24          ternships, and removal of marine debris projects are  
25          examples of previous and ongoing partnerships be-

1       tween the Northwest Straits Marine Conservation  
 2       Initiative and the National Oceanic and Atmospheric  
 3       Administration. Areas of partnership may evolve  
 4       with emerging opportunities.
