IN THE SENATE OF THE UNITED STATES

JUNE 24, 2025

A BILL

To protect a person's ability to determine whether to continue or end a pregnancy, and to protect a health care provider's ability to provide abortion services.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

1 **SECTION 1. SHORT TITLE.**

2 This Act may be cited as the “Women’s Health Pro-
3 tection Act of 2025”.

4 **SEC. 2. PURPOSE.**

5 The purposes of this Act are as follows:

6 (1) To permit people to seek and obtain abor-
7 tion services, and to permit health care providers to
8 provide abortion services, without harmful or unwar-
9 ranted limitations or requirements that single out
10 the provision of abortion services for restrictions
11 that are more burdensome than those restrictions
12 imposed on medically comparable procedures, do not,
13 on the basis of the weight of established clinical
14 practice guidelines consistent with medical evidence,
15 significantly advance reproductive health or the safe-
16 ty of abortion services, or make abortion services
17 more difficult to access.

18 (2) To promote access to abortion services and
19 thereby protect women’s ability to participate equally
20 in the economic and social life of the United States.

21 (3) To protect people’s ability to make decisions
22 about their bodies, medical care, family, and life’s
23 course.

24 (4) To eliminate unwarranted burdens on com-
25 merce and the right to travel. Abortion bans and re-
26 strictions invariably affect commerce over which the

1 United States has jurisdiction. Health care providers
2 engage in economic and commercial activity when
3 they provide abortion services. Moreover, there is an
4 interstate market for abortion services and, in order
5 to provide such services, health care providers en-
6 gage in interstate commerce to purchase medicine,
7 medical equipment, and other necessary goods and
8 services; to obtain and provide training; and to em-
9 ploy and obtain commercial services from health care
10 personnel, many of whom themselves engage in
11 interstate commerce, including by traveling across
12 State lines. Individuals engage in the interstate mar-
13 ket by purchasing abortion services, including the
14 purchase, use, and consumption of medicine, medical
15 equipment, and other necessary goods and services
16 transited in the stream of interstate commerce, the
17 receipt of telemedicine services, and traveling across
18 State lines to purchase and receive abortion services
19 or assist others in purchasing or receiving such serv-
20 ices. The increase in abortion prohibitions and re-
21 strictions in a subset of States since 2022 cause
22 women to travel to other States for abortion care,
23 which, in turn, affects the health care systems of
24 those States that provide the treatment and has ex-
25 ponentially increased the burden on interstate com-

1 merce and the instrumentalities of interstate com-
2 merce. Congress has the authority to enact this Act
3 to protect access to abortion services pursuant to—

4 (A) its powers under the commerce clause
5 of section 8 of Article I of the Constitution of
6 the United States;

7 (B) its powers under section 5 of the Four-
8 teenth Amendment to the Constitution of the
9 United States to enforce the provisions of sec-
10 tion 1 of the Fourteenth Amendment; and

11 (C) its powers under the necessary and
12 proper clause of section 8 of Article I of the
13 Constitution of the United States.

14 **SEC. 3. DEFINITIONS.**

15 In this Act:

16 (1) **ABORTION SERVICES.**—The term “abortion
17 services” means an abortion and any medical or
18 non-medical services related to and provided in con-
19 junction with an abortion (whether or not provided
20 at the same time or on the same day as the abor-
21 tion).

22 (2) **GOVERNMENT.**—The term “government”
23 includes each branch, department, agency, instru-
24 mentality, and official of the United States or a
25 State.

1 (3) HEALTH CARE PROVIDER.—The term
2 “health care provider” means any entity (including
3 any hospital, clinic, or pharmacy (whether physical,
4 mobile, or virtual)) or individual (including any phy-
5 sician, certified nurse-midwife, nurse practitioner,
6 advanced practice clinician, registered nurse, phar-
7 macist, or physician assistant) that—

8 (A) is engaged or seeks to engage in the
9 delivery of health care services, including abor-
10 tion services; and

11 (B) if required by law or regulation to be
12 licensed or certified to engage in the delivery of
13 such services—

14 (i) is so licensed or certified; or

15 (ii) would be so licensed or certified
16 but for their past, present, or potential
17 provision of abortion services protected by
18 section 4.

19 (4) MEDICALLY COMPARABLE PROCEDURES.—
20 The term “medically comparable procedures” means
21 medical procedures that are similar, on the basis of
22 the weight of established clinical practice guidelines
23 consistent with medical evidence, in terms of health
24 and safety risks to the patient, complexity, or the
25 clinical setting that is indicated.

1 (5) PREGNANCY.—The term “pregnancy” refers
2 to the period of the human reproductive process be-
3 ginning with the implantation of a fertilized egg.

4 (6) STATE.—The term “State” includes the
5 District of Columbia, the Commonwealth of Puerto
6 Rico, and each territory and possession of the
7 United States, and any subdivision of any of the
8 foregoing, including any unit of local government,
9 such as a county, city, town, village, or other general
10 purpose political subdivision of a State.

11 (7) VIABILITY.—The term “viability” means
12 the point in a pregnancy at which, in the good-faith
13 medical judgment of the treating health care pro-
14 vider, and based on the particular facts of the case
15 before the health care provider, there is a reasonable
16 likelihood of sustained fetal survival outside the
17 uterus with or without artificial support.

18 **SEC. 4. PROTECTED ACTIVITIES AND SERVICES.**

19 (a) GENERAL RULES.—

20 (1) PRE-VIABILITY.—A health care provider has
21 a right under this Act to provide such abortion serv-
22 ices, and a patient has a corresponding right under
23 this Act to terminate a pregnancy prior to viability
24 without being subject to any of the following limita-
25 tions or requirements:

1 (A) A prohibition on abortion prior to via-
2 bility, including a prohibition or restriction on
3 a particular abortion procedure or method, or a
4 prohibition on providing or obtaining such abor-
5 tions.

6 (B) A limitation on a health care pro-
7 vider's ability to prescribe or dispense drugs
8 that could be used for reproductive health pur-
9 poses based on current evidence-based regimens
10 or the provider's good-faith medical judgment,
11 or a limitation on a patient's ability to receive
12 or use such drugs, other than a limitation gen-
13 erally applicable to the prescription, dispensing,
14 or distribution of drugs.

15 (C) A limitation on a health care provider's
16 ability to provide, or a patient's ability to re-
17 ceive, abortion services via telemedicine, other
18 than a limitation generally applicable to the
19 provision of medically comparable services via
20 telemedicine.

21 (D) A limitation or prohibition on a pa-
22 tient's ability to receive, or a provider's ability
23 to provide, abortion services in a State based on
24 the State of residency of the patient, or a prohi-
25 bition or limitation on the ability of any indi-

1 vidual to assist or support a patient seeking
2 abortion.

3 (E) A requirement that a health care pro-
4 vider perform specific tests or medical proce-
5 dures in connection with the provision of abor-
6 tion services (including prior to or subsequent
7 to the abortion), unless such tests or procedures
8 are standard to the weight of established clin-
9 ical practice guidelines consistent with medical
10 evidence pertaining to abortion services.

11 (F) A requirement that a health care pro-
12 vider offer or provide a patient seeking abortion
13 services medically inaccurate information that is
14 not compatible with the weight of established
15 clinical practice guidelines.

16 (G) A limitation or requirement concerning
17 the physical plant, equipment, staffing, or hos-
18 pital transfer arrangements of facilities where
19 abortion services are provided, or the creden-
20 tials or hospital privileges or status of personnel
21 at such facilities, that is not imposed on facili-
22 ties or the personnel of facilities where medi-
23 cally comparable procedures are performed.

24 (H) A requirement that, prior to obtaining
25 an abortion, a patient make one or more medi-

1 cally unnecessary in-person visits to the pro-
2 vider of abortion services or to any individual or
3 entity that does not provide abortion services.

4 (I) A limitation on a health care provider's
5 ability to provide immediate abortion services
6 when that health care provider believes, based
7 on the good-faith medical judgment of the pro-
8 vider, that delay would pose a risk to the pa-
9 tient's life or health.

10 (J) A requirement that a patient seeking
11 abortion services at any point or points in time
12 prior to viability disclose the patient's reason or
13 reasons for seeking abortion services, or a limi-
14 tation on providing or obtaining abortion serv-
15 ices at any point or points in time prior to via-
16 bility based on any actual, perceived, or poten-
17 tial reason or reasons of the patient for obtain-
18 ing abortion services, regardless of whether the
19 limitation is based on a health care provider's
20 actual or constructive knowledge of such reason
21 or reasons.

22 (2) POST-VIABILITY.—

23 (A) IN GENERAL.—A health care provider
24 has a right under this Act to provide abortion
25 services and a patient has a corresponding right

1 under this Act to terminate a pregnancy after
2 viability when, in the good-faith medical judge-
3 ment of the treating health care provider, it is
4 necessary to protect the life or health of the pa-
5 tient. This subparagraph shall not otherwise
6 apply after viability.

7 (B) ADDITIONAL CIRCUMSTANCES.—A
8 State may provide additional circumstances
9 under which post viability abortions are per-
10 mitted.

11 (C) LIMITATION.—In the case where a ter-
12 mination of a pregnancy after viability, in the
13 good-faith medical judgement of the treating
14 health care provider, is necessary to protect the
15 life or health of the patient, none of the limita-
16 tions or requirements described in paragraph
17 (1) shall be imposed by law.

18 (b) OTHER LIMITATIONS OR REQUIREMENTS.—The
19 rights described in subsection (a) shall not be limited or
20 otherwise infringed through any other limitation or re-
21 quirement that—

22 (1) expressly, effectively, implicitly, or as imple-
23 mented, targets abortion, the provision of abortion
24 services, individuals who seek abortion services or
25 who provide assistance and support to those seeking

1 abortion services, health care providers who provide
2 abortion services, or facilities in which abortion serv-
3 ices are provided; and

4 (2) impedes access to abortion services.

5 (c) FACTORS FOR CONSIDERATION.—A court may
6 consider the following factors, among others, in deter-
7 mining whether a limitation or requirement impedes ac-
8 cess to abortion services for purposes of subsection (b)(2):

9 (1) Whether the limitation or requirement, in a
10 provider’s good-faith medical judgment, interferes
11 with a health care provider’s ability to provide care
12 and render services, or poses a risk to the patient’s
13 health or safety.

14 (2) Whether the limitation or requirement is
15 reasonably likely to delay or deter a patient in ac-
16 cessing abortion services.

17 (3) Whether the limitation or requirement is
18 reasonably likely to directly or indirectly increase the
19 cost of providing abortion services or the cost for ob-
20 taining abortion services such as costs associated
21 with travel, childcare, or time off work.

22 (4) Whether the limitation or requirement is
23 reasonably likely to have the effect of necessitating
24 patient travel that would not otherwise have been re-

1 required, including by making it necessary for a pa-
2 tient to travel out of State to obtain services.

3 (5) Whether the limitation or requirement is
4 reasonably likely to result in a decrease in the avail-
5 ability of abortion services in a given State or geo-
6 graphic region.

7 (6) Whether the limitation or requirement im-
8 poses penalties that are not imposed on other health
9 care providers for comparable conduct or failure to
10 act, or that are more severe than penalties imposed
11 on other health care providers for comparable con-
12 duct or failure to act.

13 (7) The cumulative impact of the limitation or
14 requirement combined with other limitations or re-
15 quirements.

16 (d) EXCEPTION.—To defend against a claim that a
17 limitation or requirement violates a health care provider’s
18 or patient’s rights under subsection (b) a party must es-
19 tablish, by clear and convincing evidence, that the limita-
20 tion or requirement is essential to significantly advance
21 the safety of abortion services or the health of patients
22 and that the safety or health objective cannot be accom-
23 plished by a different means that does not interfere with
24 the right protected under subsection (b).

1 **SEC. 5. PROTECTION OF THE RIGHT TO TRAVEL.**

2 A person has a fundamental right under the Con-
3 stitution of the United States and this Act to travel to
4 a State other than the person's State of residence, includ-
5 ing to obtain reproductive health services such as prenatal,
6 childbirth, fertility, and abortion services, and a person
7 has a right under this Act to assist another person to ob-
8 tain such services or otherwise exercise the right described
9 in this section.

10 **SEC. 6. APPLICABILITY AND PREEMPTION.**

11 (a) IN GENERAL.—

12 (1) SUPERSEDING INCONSISTENT LAWS.—Ex-
13 cept as provided under subsection (b), this Act shall
14 supersede any inconsistent Federal or State law, and
15 the implementation of such law, whether statutory,
16 common law, or otherwise, and whether adopted
17 prior to or after the date of enactment of this Act.
18 A Federal or State government official shall not ad-
19 minister, implement, or enforce any law, rule, regu-
20 lation, standard, or other provision having the force
21 and effect of law that conflicts with any provision of
22 this Act, notwithstanding any other provision of
23 Federal law, including the Religious Freedom Res-
24 toration Act of 1993 (42 U.S.C. 2000bb et seq.).

25 (2) LAWS AFTER DATE OF ENACTMENT.—Fed-
26 eral law enacted after the date of the enactment of

1 this Act shall be subject to this Act unless such law
2 explicitly excludes such application by reference to
3 this Act.

4 (b) LIMITATIONS.—The provisions of this Act shall
5 not supersede or apply to—

6 (1) laws regulating physical access to clinic en-
7 trances, such as the Freedom of Access to Clinic En-
8 trances Act of 1994 (18 U.S.C. 248);

9 (2) laws regulating insurance or medical assist-
10 ance coverage of abortion services;

11 (3) the procedure described in section
12 1531(b)(1) of title 18, United States Code; or

13 (4) generally applicable State contract law.

14 (c) PREEMPTION DEFENSE.—In any legal or admin-
15 istrative action against a person or entity who has exer-
16 cised or attempted to exercise a right protected by section
17 4 or section 5 or against any person or entity who has
18 taken any step to assist any such person or entity in exer-
19 cising such right, this Act shall also apply to, and may
20 be raised as a defense by, such person or entity, in addi-
21 tion to the remedies specified in section 8.

22 **SEC. 7. RULES OF CONSTRUCTION.**

23 (a) LIBERAL CONSTRUCTION BY COURTS.—In any
24 action before a court under this Act, the court shall lib-

1 erally construe the provisions of this Act to effectuate the
2 purposes of the Act.

3 (b) PROTECTION OF LIFE AND HEALTH.—Nothing
4 in this Act shall be construed to authorize any government
5 official to interfere with, diminish, or negatively affect a
6 person’s ability to obtain or provide abortion services prior
7 to viability, or after viability when, in the good-faith med-
8 ical judgment of the treating health care provider, continu-
9 ation of the pregnancy would pose a risk to the pregnant
10 patient’s life or health.

11 (c) GOVERNMENT OFFICIALS.—Any person who, by
12 operation of a provision of Federal or State law, including
13 through the grant of a private cause of action, is permitted
14 to implement or enforce a limitation or requirement that
15 violates section 4 or 5 shall be considered a government
16 official for purposes of this Act.

17 **SEC. 8. ENFORCEMENT.**

18 (a) ATTORNEY GENERAL.—The Attorney General
19 may commence a civil action on behalf of the United
20 States in any district court of the United States against
21 any State that violates, or against any government official
22 (including a person described in section 7(c)) who imple-
23 ments or enforces a limitation or requirement that vio-
24 lates, section 4 or 5. The court shall declare unlawful the

1 limitation or requirement if it is determined to be in viola-
2 tion of this Act.

3 (b) PRIVATE RIGHT OF ACTION.—

4 (1) IN GENERAL.—Any individual or entity ad-
5 versely affected by an alleged violation of this Act,
6 including any person or health care provider, may
7 commence a civil action against any government offi-
8 cial (including a person described in section 7(e))
9 that implements or enforces a limitation or require-
10 ment that violates section 4 or 5. The court shall de-
11 clare unlawful the limitation or requirement if it is
12 determined to be in violation of this Act.

13 (2) HEALTH CARE PROVIDER.—A health care
14 provider may commence an action for relief on its
15 own behalf, on behalf of the provider’s staff, and on
16 behalf of the provider’s patients who are or may be
17 adversely affected by an alleged violation of this Act.

18 (c) PRE-ENFORCEMENT CHALLENGES.—A suit
19 under subsection (a) or (b) may be brought to prevent en-
20 forcement or implementation of a State limitation or re-
21 quirement that is inconsistent with section 4 or 5.

22 (d) DECLARATORY AND EQUITABLE RELIEF.—In
23 any action under this section, the court may award appro-
24 priate declaratory and equitable relief, including tem-
25 porary, preliminary, or permanent injunctive relief.

1 (e) COSTS.—In any action under this section, the
2 court shall award costs of litigation, as well as reasonable
3 attorney’s fees, to any prevailing plaintiff. A plaintiff shall
4 not be liable to a defendant for costs or attorney’s fees
5 in any non-frivolous action under this section.

6 (f) JURISDICTION.—The district courts of the United
7 States shall have jurisdiction over proceedings under this
8 Act and shall exercise the same without regard to whether
9 the party aggrieved shall have exhausted any administra-
10 tive or other remedies that may be provided for by law.

11 (g) ABROGATION OF STATE IMMUNITY.—Neither a
12 State that enforces or maintains, nor a government official
13 (including a person described in section 7(c)) who is per-
14 mitted to implement or enforce any limitation or require-
15 ment that violates section 4 or 5 shall be immune under
16 the Tenth Amendment to the Constitution of the United
17 States, the Eleventh Amendment to the Constitution of
18 the United States, or any other source of law, from an
19 action in a Federal or State court of competent jurisdic-
20 tion challenging that limitation or requirement, unless
21 such immunity is required by clearly established Federal
22 law, as determined by the Supreme Court of the United
23 States.

1 **SEC. 9. EFFECTIVE DATE.**

2 This Act shall take effect upon the date of enactment
3 of this Act.

4 **SEC. 10. SEVERABILITY.**

5 If any provision of this Act, or the application of such
6 provision to any person, entity, government, or cir-
7 cumstance, is held to be unconstitutional, the remainder
8 of this Act, or the application of such provision to all other
9 persons, entities, governments, or circumstances, shall not
10 be affected thereby.
